Head of School: Miss Gill Clark

12 June 2019

Dear Parents/Carers

Summer 2 - Project Learning

We have all been having a great time with our new projects this year, as you have seen in the many wonderful events that you have been attending. We are all so proud of the children and their hard work.

To help the children get the most of their projects, we have developed **Knowledge Organisers** for the children. These contain the essential knowledge and vocabulary that the children will be learning in their projects. These **Knowledge Organisers** are being sent home as part of your half termly newsletter for your child's year group.

Please help your child at home to learn the facts and vocabulary on their **Knowledge Organiser**. Children will be having quizzes in class about them in school, as it is important for children to remember key knowledge and broaden their vocabularies.

The newsletter also tells you about the project stimulus – usually a visit or visitor – and an end product or event that the children will be working towards. It explains the elements of the project that relate to our two curriculum drivers of 'Citizenship' and 'Aspiration' which link strongly to our vision of 'nurturing a caring community in which every child learns well' and form the basis of our curriculum intent at Carterknowle. There is also to be a model of how the project will be taught and the way it links to other subjects.

All the newsletters will also be posted on the school website.

Yours faithfully

A handwritten signature in black ink, appearing to read 'Gill Clark'.

Gill Clark
Head of School
