

Evidencing the Impact of the Primary PE and Sports Premium: Carterknowle Junior School

2019-2020

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p>The impact of the primary PE and sports funding has been significant on the Carterknowle Junior School community. It has helped to ensure that our PE curriculum is varied, exciting and accessible to all learners. Through buying support from the LINKS Sports Partnership our children have had opportunities to try different sports and enter numerous competitions which would not have previously been available.</p> <p>We have been able to develop outdoor provision for all children to access during the school day and to develop a wide range of sporting activities at lunch and playtimes. We have been able to enhance the quality of swimming teaching, which has given more children this vital skill.</p>	<p>The role of our play leader and membership to the LINKS Sports Partnership will continue and we are currently looking at ways to enhance the children's engagement in PE further. We are looking at utilizing our outdoor spaces to further develop a range of equipment for children to access at playtimes and lunchtimes. We are looking for ways in which to encourage our children to become more active, for longer, including travelling actively.</p> <p>We are further developing the knowledge of our staff through providing training in teaching gymnastics.</p>

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.</p>	90%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p>	73%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	90%
<p>Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	Yes – to improve quality and to provide transport to and from the pool.
